

# APPLICATION FOR GMP CONFORMITY ASSESSMENT VIA GMP INSPECTION OF AN OVERSEAS MANUFACTURER OF CELL, TISSUE AND GENE THERAPY PRODUCTS (CTGTP)

#### NOTES:

- 1. Your company must have a <u>CRIS</u> account with HSA and obtain a client code in order to submit this application.
- 2. This application form is intended for a local sponsor to apply for a Good Manufacturing Practice (GMP) inspection of an overseas manufacturer in support of CTGTP registration in Singapore.
- 3. Each application form is intended for one applicable overseas manufacturing site. Separate forms are to be submitted if there are multiple overseas manufacturing sites even if it is the same manufacturer.
- 4. The form should be completed by the applicant who is authorised by the company. The applicant will be the point of contact for all matters related to this application.
- 5. This form may take you 30 minutes to fill in. You will need the following information to fill in the form:
  - a. Local Sponsor Information
  - b. Information on overseas manufacturing premise, operations, outsourced activities, key personnel
  - c. Supporting documents (refer to Section 8)
- 6. All entries shall be made in English. All the information required in the form should be supplied as far as they are applicable.
- 7. If the space provided in any section of this form is insufficient, the information pertaining to the affected section(s) may be submitted as an attachment together with this completed form as a PDF document. Please indicate the section numbers clearly in the attachment for ease of reference.
- 8. This completed form with its relevant supporting documents should be submitted to the Advanced Therapeutic Product Branch (ATPB) as part of the submission for CTGTP product registration.
