

AMENDMENT APPLICATION FOR A LICENCE TO MANUFACTURE/ASSEMBLE CHINESE PROPRIETARY MEDICINE (CPM)

You may wish to print a copy of this application guide for easy reference before proceeding with the application submission.

Please also note that companies must register with CRIS and applicants must have valid CRIS user rights in order to be able to submit applications on behalf of the company via PRISM@HSA.

For information and application for CRIS account, you can click [here](#). For enquiry relating to CRIS, you can contact us at HSA_CRIS@hsa.gov.sg.

1. The online form is estimated to take an average of 15 minutes to fill in. The time taken varies depending on the number and sizes of the file attachments, configurations of your computer and network system, internet performance etc. The recommended computer and network configurations are as described at http://www.hsa.gov.sg/content/hsa/en/Health_Products_Regulation/PRISM_e-services/system-requirements-for-prism.html.

Please note that the time stated above excludes the preparatory work in relation to filling the online form (e.g. scanning documents for file attachments).

2. You may need the following information/item(s) to fill the form:
 - Updated Site Master File, if applicable. Please note that the Site Master File should be prepared in accordance with the PIC/S Explanatory Notes for Pharmaceutical Manufacturers on the Preparation of a Site Master File which is available from HSA website at <http://www.hsa.gov.sg>.
 - Certificate of Accreditation of the contract testing laboratory, if any;
 - Letter of approval issued by the agency/institution that approves the use of the premises for the manufacturing and storage of health products, if applicable
 - Details of the dosage forms and products manufactured and/or assembled. Please also indicate if your company is acting as a contractor acceptor (i.e. manufactures partially/wholly for others) for these products.
3. The applicant will require a CorpPass or SingPass* before he/she can login to PRISM to retrieve the application form. A person who drafts an application on behalf of his/her company and is not a Singaporean Citizen, Permanent Resident or Employment Pass holder can apply for a HSA PIN to login to PRISM. The CorpPass / SingPass* or HSA PIN login is necessary for authentication and authorisation purposes.

** During the transition period from now to 31 August 2018, both SingPass and CorpPass can be used to login to PRISM. However, as CorpPass will eventually replace SingPass for business transactions with the government, companies / business entities are encouraged to familiarise themselves with the usage of CorpPass.*

** With effect from 1 September 2018, the applicant will require a CorpPass before he/she can login to PRISM.*

For more information, please refer to http://www.hsa.gov.sg/content/hsa/en/Health_Products_Regulation/CRIS_Updates.html

For more information on CorpPass, please refer to
<http://www.corppass.gov.sg/>

For more information on HSA PIN, please refer to
http://www.hsa.gov.sg/content/hsa/en/Health_Products_Regulation/HSA_PIN.html

4. Mode of payment

Please note that there will be no refund of any payment made in relation to applications submitted through PRISM.

The mode of payment available is as follows:

- Non-GIRO: eNETS (Credit/Debit Card)
- GIRO (Preferred mode of payment)

Payment by GIRO requires pre-registration. The [GIRO application form](#) is required to be submitted by post to the HSA Finance Department. The correspondence address can be found in the application form. The registration process will take around 3 to 4 weeks after the submission of the application form.

Application Form

Part Zero – Licence/Permit/Certificate/Listing Summary

The applicable Licence No, the start and expiry dates of the existing licence will be displayed for your information.

				Next	Reset

The applicant would need to furnish the following information:

- 1) Amendment Details (Please provide in this entry the reason for the amendment)

The applicant has to make amendment(s) to the licence when the following changes occur:

A) Examples of changes which may require on-site audit:

- Addition or amendment of manufacturing site address
 - Please note that each Manufacturer's Licence is issued to each company with a specific manufacturing address and postal code. If your company is relocating the manufacturing premise to a different address (i.e. postal code), please submit a new application.
 - Your company may file for amendment application if there is addition or relocation of manufacturing activities within the approved building (e.g. addition of unit or floor) and/or postal code.
- Addition or amendment of warehouse address, including addition of third party logistic warehouse
- Addition or amendment of manufacturing activities (i.e. manufacture or primary assembly or secondary assembly) for approved dosage form(s) Addition of cold-chain activities.

B) Examples of changes which do not involve on-site audit. The appropriateness of such changes would be assessed in the next audit.

- Amendment of company name or business address (Note: Such amendment has to be made via the "Change of Company Information" module)
- Amendment of applicant
- Deletion of approved manufacturing site address
- Deletion of approved warehouse address
- Deletion of approved manufacturing activities
- Deletion of approved dosage form
- Addition of new dosage forms for secondary assembly

If you are in doubt or encounter a situation which is not found in the above lists of examples, please contact us before submission.

Part One - Company Particulars

The company name and address will be pre-populated based on the registered CRIS records. If you need to make changes to this information, please submit the change via the "[Amend Company Information](#)" module.

Part Two – Applicant Particulars

The section requires the applicant to furnish the following information

- 1) Applicant's Name
- 2) Applicant's NRIC/Fin
- 3) Applicant's Designation
- 4) Contact Details like Telephone/Fax/Handphone/Pager number and E-mail address
- 5) Preferred Contact mode

(Please note that your preferred contact mode is the delivery mode of which you will receive the final notification of this application. During the course of this application, you will receive our input requests (i.e. queries), if any, via email if you have indicated your email address above, regardless of your selected preferred contact mode.)

Part Three – Pharmaceutical Dosage Form

The section requires the applicant to furnish the following information if there is an amendment to the details. **Otherwise, please do not amend any details at this section.**

To amend the dosage form, you will just have to click on the dosage form of interest, and the page will refresh to display the particulars of the dosage form. Click on “Update” to update any changes you have made. You may also choose to add or remove any of the previously applied dosage forms.

To add new dosage form(s):

1) **Dosage form.**

You can select the new dosage form(s) your company is going to deal with from the list provided. If a dosage form that your company is going to deal with is not included in the list provided, please select the option “Others” from the list provided, and give details of the dosage form in the field provided.

Dosage Forms	
Capsules	Paste, with or without adhesive backing (External Use)
Creams	Pessaries
Eye Drops	Pills
Gels	Powders (External Use)
Granules (External Use)	Powders (Internal Use)
Granules (Internal Use)	Sachet (External Use)
Liquid Preparations (External Use)	Suppositories
Liquid Preparations (Internal Use)	Tablets
Lozenges	Tea
Nose Drops	Others
Ointments	

2) **Activity**

Please select the relevant activity for each dosage form you are dealing with, and save the entry. You will see the page refreshes, and the refreshed page will display the details of the dosage form with its associated activity you have added

- Manufacture (i.e. manufacturing of the bulk product only or as well as primary and/or secondary assembly of the selected dosage form)
- Primary Assembly (select this if your company is conducting primary assembly or both primary and secondary assembly for the selected dosage form only)
- Secondary Assembly (select this if your company is conducting secondary assembly for the selected dosage form only)

To remove the manufacturing activities for each dosage form(s), please select the correct dosage form and activity displayed in the list and click the ‘Remove’ button.

Please note that for addition of new dosage form, relevant manufacturer/assembler information is also required to be filed/updated in the product listing with **Traditional Medicine Unit of Complementary Health Products Branch** for the CPM products manufactured/assembled by them.
