

NEW APPLICATION FOR CERTIFICATE OF A PHARMACEUTICAL PRODUCT

Companies and its applicants must register with Client, Registration, and Identification Service (CRIS) with valid CRIS user rights in order to be able to submit applications on behalf of the company via apply@prism.

The applicant will also require a Corppass before he/she can login to PRISM to retrieve the application form. A person who drafts an application on behalf of his/her company and is not a Singaporean Citizen, Permanent Resident or Employment Pass holder can apply for a HSA PIN to login to PRISM. The Corppass or HSA PIN is necessary for authentication and authorization purposes.

***Note:** From 11 April 2021, the login process for Corppass has been changed to verify the user's identity via Singpass first before accessing and transacting with government digital services. While Singpass is used for logins, Corppass will continue to be the authorisation system for access to government digital services.*

For more information on CRIS, please refer to

Upon successful transaction, an eNETS official receipt and a HSA tax invoice will be generated.

If the payment was made via eNETS and was not completed successfully, the system will prevent retrieval of the draft application and the applicant will need to contact [HSA HelpDesk](#) for assistance.

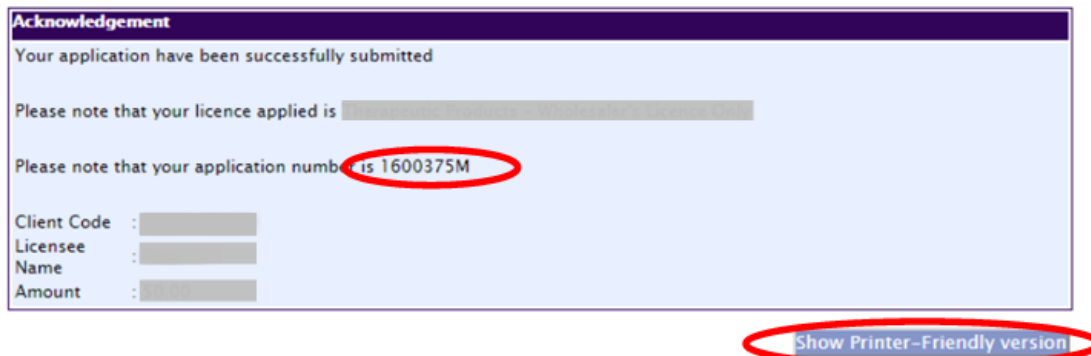

To submit the completed application, click the **'Submit'** button. Applicant will be prompted to confirm the submission. The application will then be submitted to HSA for the relevant personnel's processing.

Acknowledgement

This section acknowledges that the application has been submitted to HSA for processing. An application number will be generated for the successful application submitted.

Applicants may wish to print a copy of this acknowledgement page or take note of the **Application Number** for ease of reference. Applicants may provide the application number if they wish to communicate with HSA.

The screenshot shows a web interface titled "Acknowledgement". The main text reads: "Your application have been successfully submitted". Below this, it says "Please note that your licence applied is" followed by a greyed-out input field. The next line says "Please note that your application number is 1600375M", where the number "1600375M" is circled in red. Below this are four rows of labels and greyed-out input fields: "Client Code", "Licensee Name", and "Amount". At the bottom right of the form area, there is a button labeled "Show Printer-Friendly version", which is also circled in red.

Note: The show Printer Friendly version allows applicant to print or view the application.

Input Request

Input Requests arise when the reviewing HSA officer requires further clarification from the applicant regarding the application. This section illustrates how applicants can respond to the Input Request.

A notification will be sent to the applicant to inform the applicant to log in to track@prism to make the necessary changes.

Input requests can be classified as Primary or Secondary.

- Primary Input Request requires changes to be made directly on the application form.
- Secondary Input Request requires applicant's explanation to certain matters pertaining to the application form submitted.

Responding to Primary Input Request

- (1) In track@prism enter the Application Number to retrieve the application that requires clarification.
