

Clinical Trial Applications Received and Approved*

*include Clinical Trial Authorisation (CTA) and Clinical Trial Notification (CTN), which were implemented on 1 November 2016 when therapeutic products were ported over to the Health Products Act

Note: The clinical trial applications approved in a particular year (e.g. 2018) may not only be for applications received in that year (i.e., 2018), but could include those received the year before (i.e., 2017).
