## Provisional Authorisation for COVID-19 Tests

<i>Applicant</i>	Biomed Diagnostics Pte Ltd
<i>Name of test</i>	BIOCREDIT COVID-19 Ag
<i>Intended purpose (As per manufacturer's information for use)</i>	<p><i>BIOCREDIT COVID-19 Ag is a rapid chromatographic immunoassay for the qualitative detection of SARS-CoV-2 antigen in human nasopharynx.</i></p> <p><i>This test is for in-vitro professional diagnostic use and intended as an aid to early diagnosis of SARS-CoV-2 infection in patient with clinical symptoms. It provides only an initial screening test result and more specific alternative diagnosis methods should be performed in order to confirm COVID-19 infection. A negative result can occur if the quantity of coronavirus present in the specimen is below the detection limits of the assay or if a poor quality specimen is tested. A negative test result cannot exclude a recent infection.</i></p>
<i>Date of Provisional Authorisation</i>	15 October 2020
